

The Thomas Cook Group Airlines consist of four sun and beach focused leisure airlines: Thomas Cook Airlines UK, Thomas Cook Airlines Belgium, Thomas Cook Airlines Scandinavia and Condor Flugdienst. The combined fleet consists of 90 aircraft which carry 16.9 million passengers per year, generating revenues of £2.8bn. As leisure airlines with a long tradition in Europe, the Thomas Cook Group Airlines are proud to belong to a wider family of travel pioneers, the Thomas Cook Group. The vision is to become Europe's best sun and beach focused leisure airline group. The Thomas Cook Group Airlines with over 8.000 employees are putting their customers at the heart by being easily accessible wherever and whenever, always ready to guide and inform and offering personal and personalised service in every channel and at every touch point. We keep on moving on to new pastures with new destinations all over the world, easy connections with cooperation partners and a wide range by combining our route network

We provide 4 qualified applicants for the summer semester 2016 the cooperative
